\* For the US, sales tax is calculated by state and may vary slightly by county.

\*\* Shipping days is an estimate of the number of business days required to transport. Order processing time is not included and may vary between bookstores. Shipping cost shown is the least expensive option at each bookstore.

\*\*\* **Note:** International store prices are converted to US Dollars by default, but appear in their native currency when you visit their site or you can choose a different default currency in your [account preferences](#).   

!! In some cases, the shipping cost is an estimate. Please check all charges before submitting your order with the bookstore.
